

## The health care you deserve.

UnitedHealthcare Community Plan provides a network of thousands of physicians and hospitals across Louisiana. That means:

- You may find a doctor you already know, right in your neighborhood.
- It will be easier for you to get all of your Medicaid benefits.
- Our team will help you work with the health care system.

We'd be proud to have you as a member of UnitedHealthcare Community Plan. We'll work hard to make it easier for you to get the care you deserve.

## More for Moms and Kids.

More support for Louisiana families.

## Healthier for you. Healthier for your kids.

You have told us the two things you want most from us: healthy, happy children and some real help, so you can be healthy too. We're committed to making it easier for you to get:

- A doctor who will coordinate your care and help you see the right specialists.
- Someone you can call when one of your kids has a high fever on a weekend.
- Someone you can count on to make the health care system simpler for you.
- A health care plan that will give you the personal attention and support you want, when you are going to have a baby.
