

## DHH Response to House Resolution No. 176 – Fiscal Year 2013

February 1, 2014

- Each licensed hospital and behavioral health treatment facility in behavioral health services regions 6, 7, and 8 monitor the number of hours, to the nearest quarter hour, the duration of inpatient treatment for patients in need of inpatient or residential care for behavioral health, both mental health or substance Use, treatment in acute psychiatric units and licensed substance Use treatment facilities for those in need of inpatient or residential care.
  - Please note that the Department of Health & Hospitals (DHH) does not operate any acute psychiatric units in Regions 6, 7 or 8.
  - Data is only collected by hour and not reported in the Office of Behavioral Health systems to the nearest quarter hour.

Region 6/Central LA Human Services District <sup>1</sup>		
Facility	Modality	Duration of Inpatient Treatment
July 2012

- Each licensed hospital and behavioral health treatment facility in behavioral health services region 6, 7, and 8 monitor the number of citizens who seek treatment for mental health or substance Use issues outside their respective parish and the distance traveled from home by each patient seeking such services.

<b>CENTRAL LOUISIANA STATE HOSPITAL (CLSH)<sup>7</sup></b>	<b>FY13</b>
<b>Number of clients treated from Rapides Parish (CLSH domicile)</b>	<b>15</b>
<b>Number of clients treated from all other parishes (distance breakdown below):</b>	<b>146</b>
<i>Number of clients who travel &lt;50 miles for treatment</i>	<i>1</i>
<i>Number of clients who travel 50 – 99 miles for treatment</i>	<i>19</i>
<i>Number of clients who travel 100 – 149 miles for treatment</i>	<i>81</i>
<i>Number of clients who travel 150 – 199 miles for treatment</i>	<i>10</i>
<i>Number of clients who travel 200 – 249 miles for treatment</i>	<i>35</i>
<b>Total number of clients treated at CLSH</b>	<b>161</b>

Note: CLSH uses a different reporting mechanism than the regions/human services districts. As a result, its data is reported in a different format.

The Local Governing Entities (LGEs) abbreviated below consist of the following regional areas:

- **Metropolitan Human Service District (MHSD)** - parishes include Orleans, St. Bernard, Plaquemines
- **Capital Area Human Service District (CAHSD)** - parishes include East Baton Rouge, West Baton Rouge, East Feliciana, West Feliciana, Iberville, Pointe Coupee, Ascension
- **South Central Louisiana Human Service Authority (SCLHSA)** – parishes include Terrebonne, Lafourche, St. Mary, Assumption, St. James, St. John the Baptist, St. Charles
- **Acadiana Area Human Service District (AAHSD)** – parishes include Lafayette, Vermillion, Iberia, St. Martin, St. Landry, Acadia, Evangeline
- **Florida Parishes Human Service Authority (FPHSA)** – parishes include St. Helena, Tangipahoa, Washington, Livingston, St. Tammany
- **Jefferson Parish Human Service Authority (JPHSA)** – Jefferson parish
- **Imperial Calcasieu Human Services Authority (ImCal)** – parishes include Calcasieu, Jefferson Davis, Cameron, Allen, Beauregard. Formerly Region 5; legally changed to ImCal on July 1, 2013.
- **Central Louisiana Human Services District (CLHSD)** – parishes include Rapides, Vernon, Avoyelles, Grant, Winn, LaSalle, Catahoula, Concordia. Formerly Region 6; legally changed to CLHSD on July 1, 2013.
- **Northwest Louisiana Human Services District (NWLHSD)** – parishes include Caddo, Bossier, Webster, Claiborne, Bienville, Red River, DeSoto, Natchitoches, Sabine. Formerly Region 7; legally changed to NWLHSD on July 1, 2013.
- **Northeast Delta Human Services Authority (NEDHSA)** – parishes include Union, Lincoln, Jackson, Ouachita, Caldwell, Morehouse, Richland, Franklin, West Carroll, East Carroll, Madison, Tensas. Formerly Region 8; legally changed to NEDHSA on July 1, 2013.

- **Each licensed hospital and behavioral health treatment facility in behavioral health services regions 6, 7, and 8 monitor the availability of mental health services in their respective regions.**

All state Local Governing Entities (LGEs) have an on-going initiative to monitor availability of mental health services. Magellan Behavioral Health, the Statewide Managed Care organization, continues to adhere to the access to services criteria as set forth by the Louisiana Behavioral Health Partnership.

Additionally, within the Office of Behavioral Health at its psychiatric facility, Central Louisiana State Hospital, there are other non-state run services being offered on the campus as follows:<sup>11</sup>

Agency	Description of Service	Inpatient Beds
Central Louisiana Human Services District Regional Office	The mission of the Central Louisiana Human Services District is to increase public awareness of and to provide access for individuals with behavioral health and developmental disabilities to integrated community based services while promoting wellness, recovery and independence through education and the choice of a broad range of programmatic and community resources. This unit on the CLSH campus serves as an administrative office for the district.	0
Central Louisiana Human Services District - Caring Choices (formerly the Behavioral Health Clinic of Central LA)	Provides outpatient mental health services (i.e. assessment, treatment planning, individual, family and group counseling, medication management, etc.) to children and adults. This unit also provides outpatient addiction disorder services (i.e. assessment, treatment planning, individual, family and group counseling, intensive outpatient treatment) to adults.	0
VOA Transitional Housing	Provides temporary housing and assists with independent living skills and referral for persons with behavioral health issues deemed eligible for the program by the Central Louisiana Human Services District.	8
Pathways Community Health Red River Treatment Center	Pathways enhances wellness in the lives of individuals and communities by instilling hope, building partnerships and supporting recovery. It provides a full continuum of care including intensive outpatient, medically supported detox, residential and co-occurring disorders treatment.	83

<sup>11</sup> Source of Information: Central Louisiana State Hospital

The Extra Mile	The mission of The Extra Mile is to enhance and enrich the environment for all clients through public education, volunteer recruitment, program development, and fund-raising. This is a professionally staffed, nonprofit, charitable corporation that lends support to community based state agencies. It serves as the catalyst between community and state agencies to meet the special needs of persons affected by mental illness, developmental disabilities and/or substance use. On-site, it operates a consumer run resource center, food pantry and clothes closet.	0
Cenla Chemical Dependency Council (CCDC)	It is the mission of CCDC to provide the highest possible level of service in a cost effective manner to Louisiana residents residing in the eight parish region of the Central Louisiana Human Services District who suffer from behavioral health disorders using evidence-based practices. The CCDC offers the following services on the CLSH campus:	See below
CCDC	<i>Gateway Adolescent Treatment Center: A primary treatment facility for adolescents ages 13-17 with behavioral health disorders.</i>	16
CCDC	<i>Special School District One: An off-site school for the clients at Gateway Adolescent Treatment Center.</i>	0
CCDC	<i>CCDC Adolescent Intensive Outpatient: An intensive outpatient treatment facility for adolescents ages 13-17 years of age with behavioral health disorders.</i>	0
CCDC	<i>CCDC Juvenile Drug Court Treatment Services: An intensive outpatient treatment facility for adolescents ages 13-17 years of age with behavioral health disorders.</i>	0
CCDC	<i>CCDC Crisis Intervention Program: Serves children and adolescents who are experiencing a psychiatric crisis.</i>	0
CCDC	<i>U.S. Department of Housing and Urban Development (HUD) Program: A permanent supportive housing program with intensive case management in place for adults and their children with co-occurring disorders.</i>	0
CCDC	<i>Bridge House Men's Halfway House: A secondary treatment facility for men 18 years and older who are in need of behavioral health services.</i>	31
CCDC	<i>Phase II Women's Halfway House: A secondary treatment program for women 18 years and older, as well as, the Temporary Assistance for Needy Families (TANF) program offering treatment for women and their dependents.</i>	26
CCDC	<i>Avoyelles Recovery Center: A group meeting is held once a week for pathological gamblers who enter the Marksville site's program for ages 18 and older.</i>	0

- Each licensed hospital and behavioral health treatment facility in behavioral health services regions 6, 7, and 8 monitor their hospitalization and substance use facility rates per patient per day and prepare a monthly compilation of those costs.

<sup>13</sup> CLSH's clients are primarily uninsured and funded with Disproportionate Share Hospital (DSH) payments. DSH payments are only made to the hospital twice annually in November and May, with a final cost settlement at the close-out of the State Fiscal Year. As such, payment amounts for these clients in FY 13 are only reflected in November, May and June. All other payments reflected for CLSH in FY 13 represent Medicaid clients.
