Dear President Alario, Speaker Kleckley, and Honorable Chairs:

Senate Bill No. 305 of the 2003 Regular Session requires that the Department of Health and Hospitals (DHH) submit certain information on a semi-annual basis regarding the Medicaid buy-in program, the Medicaid Purchase Plan (MPP), to the Joint Legislative Committee on the Budget and to the House and Senate Health and Welfare Committees. The report is to include the status of MPP, the estimated value of the state, federal, and FICA taxes paid by the program's participants, and any recommendations for expanding coverage in the program. Louisiana Revised Statute 24:772 also requires that the report be submitted to the President of the Senate and to the Speaker of the House.

Please accept this update that contains data for SFY 15.

Program Overview

The Medicaid Purchase Plan is an optional Medicaid program that provides health care coverage to individuals with disabilities who are employed and meet specific income requirements. MPP was

implemented in January 2004 and provides full medical coverage that includes prescription drugs, hospital care, doctor services, medical equipment and supplies, and medical transportation. Since the inception of MPP, 8,916 individuals have been enrolled in the program. Enrollment as of July 2, 2015 was 731.

Positive Impact of MPP

With increased earnings comes increased buying power to Louisiana's economy. MPP enrollees are tax paying citizens who contributed \$157,028.35 in federal taxes (includes FICA and federal income tax) and \$30,389.05 in state taxes in SFY 15.

The Department recognizes that work is a fundamental part of adult life for people with and without disabilities. The Medicaid Purchase Plan is an essential component of supporting individuals with disabilities as they strive to become self-sufficient.

Thank you for allowing us the opportunity to present information regarding MPP. Mr. Damiane Ricks with the Bureau of Health Services Financing /Medical Vendor Administration (Medicaid) is available to discuss this letter with you should you have any questions or comments. You may contact Mr. Ricks at (225) 342-7877 or by email at damiane.ricks@la.gov.

Sincerely,

W. Jeff Reynolds
Undersecretary
