

Superior HealthPlan (Superior) is committed to a partnership with its Providers to help promote the right care at the right time and at the right place in order to promote quality health care and maximize the health status of its Members.

As part of this partnership, this Orthopedic Provider Overview is being distributed to show each Provider how they compare to the overall average of similar Superior Providers. Providers with at least 50 unique Members during the reporting period will automatically participate and receive the Provider Overview annually.
