Dear Applicant:

Attached is an application for the Permanent Supportive Housing (PSH) Program.

What is PSH?

PSH is a program offering subsidized rental apartments and supportive services for people with long term disabilities who have experienced difficulty living successfully in the community and are at risk of homelessness or institutionalization without supports. Housing supports include things like reminders to pay rent, help arranging medical appointments, and other support services. Only people with disabilities who need these types of supports are eligible for PSH.

What are the PSH Requirements?

To be eligible for PSH, your household must: (1) include a person who has a disability and is currently receiving Medicaid services or Ryan White Services, (2) need housing supports offered by PSH, and (3) be very low-income.

How do I apply if I think I am eligible?

Complete the attached application; please note:

- Reasonable accommodations will be made in completing applications. For assistance in completing an application please call 1-844-698-9075. TTY users should call 1-800-220-5404.
- While we hope you answer all the questions, we can begin processing your application as long as you answer all of the questions that have an asterisk * next to them. Eventually you will need to answer all questions and provide documents verifying your answers. **Preference documentation may be required with application** (see page 9).
- You cannot be found eligible for PSH or offered a housing unit until we have a completed application. Although income verifying documents are not required to submit this application, applicable income documentation is required for all household members to receive a unit referral and will be requested at a later date.
- It must be verified that you are in need of the supports offered through PSH. Please complete the "Permanent Supportive Housing Eligibility" section (pages 5 & 6) in this application.
