Agency: DHH-Central Louisiana Human Services District
Opening Date:
Closing Date:
State Salary Range: Depends on Qualifications
Min: Max:
Job Type: Unclassified
Location: Alexandria, Louisiana

QUALIFICATIONS: Master's Degree required, Doctorate Degree preferred

SUPPLEMENTAL INFORMATION:

CENTRAL LOUISIANA HUMAN SERVICES DISTRICT (CLHSD) is seeking an Executive Director. ***CLHSD*** is a legislatively created governing body charged with the responsibility to provide public behavioral health and developmental disability services for an eight (8) Parish area.

The Executive Director serves as the District's Chief Executive Officer and is responsible for the overall management of the CLHSD. The Executive Director is expected to provide leadership and overall administration of programs and services for the residents served by the CLHSD.

The Executive Director will have a unique opportunity to facilitate the transition from the current statewide services delivery system to a locally governed and managed regional system tailored to meet the unique needs of a local population.

We are seeking candidates with proven management and leadership experience, healthcare administration and financial management in similar settings. Salary commensurate with experience. Master's Degree required, Doctorate Degree preferred.
