(LAC 50:V.1703)**

The Department of Health and Hospitals, Bureau of Health Services Financing proposes to adopt LAC 50:V.1703 in the Medical Assistance Program as authorized by R.S. 36:254 and pursuant to Title XIX of the Social Security Act. This proposed Rule is promulgated in accordance with the provisions of the Administrative Procedure Act, R.S. 49:950 et seq.

The Department of Health and Hospitals, Bureau of Health Services Financing promulgated an Emergency Rule which amended the provisions governing inpatient hospital services to establish supplemental Medicaid payments to non-state owned hospitals in order to encourage them to take over the operation and management of state-owned and operated hospitals that have terminated or reduced services. Participating non-state owned hospitals shall enter into a cooperative endeavor agreement with the department to support this public-provider partnership initiative (*Louisiana Register*, Volume 39, Number 11). The department promulgated an Emergency Rule which amended the provisions governing the reimbursement methodology for inpatient psychiatric hospital services provided by non-state owned

hospitals participating in public-private partnerships (*Louisiana Register*, Volume 39, Number 1). In April 2013, the department promulgated an Emergency Rule to continue the provisions of the January 2, 2013 Emergency Rule (*Louisiana Register*, Volume 39, Number 4).

The department amended the provisions governing the reimbursement methodology for inpatient services provided by non-state owned major teaching hospitals participating in public-private partnerships which assume the provision of services that were previously delivered and terminated or reduced by a state-owned and operated facility to establish an interim per diem reimbursement (*Louisiana Register*, Volume 39, Number 4). In June 2013, the department determined that it was necessary to rescind the January 2, 2013 and the May 3, 2013 Emergency Rules governing Medicaid payments to non-state owned hospitals for inpatient psychiatric hospital services (*Louisiana Register*, Volume 39, Number 6). The department promulgated an Emergency Rule which amended the provisions of the April 15, 2013 Emergency Rule in order to revise the formatting of these provisions as a result of the promulgation of the June 1, 2013 Emergency Rule to assure that these provisions are promulgated in a clear and concise manner in the *Louisiana Administrative Code* (LAC) (*Louisiana Register*, Volume 39, Number 7). This

proposed Rule is being promulgated to continue the provisions of the July 20, 2013 Emergency Rule.
