The Department of Health and Hospitals, Bureau of Health Services Financing proposes to amend LAC 50:I.3103 in the Medical Assistance Program as authorized by R.S. 36:254 and pursuant to Title XIX of the Social Security Act. This proposed Rule is promulgated in accordance with the provisions of the Administrative Procedure Act, R.S. 49:950 et seq.

The Department of Health and Hospitals, Bureau of Health Services Financing amended the provisions governing managed care for physical and basic behavioral health in order to reflect the integration of specialized behavioral health services into Bayou Health as a result of the narrowing of the statewide management organization's scope of service administration for certain behavioral health services (*Louisiana Register*, Volume 41, Number 11). The department promulgated an Emergency Rule which amended the provisions governing managed care for physical and basic behavioral health to provide clarification regarding the inclusion of non-emergency medical transportation (NEMT) services (*Louisiana Register*, Volume 42, Number 1). This proposed Rule is being promulgated to continue the provisions of the January 1, 2016 Emergency Rule.
