

Greg Shelden
shelden_gw@hammond.org

Greg Shelden attended McNeese State University and received a Bachelor of Science degree in Industrial Technology from Southeastern Louisiana University. Greg is currently employed with the City of Hammond where he directs the Water Utility Mapping office.

In addition to his mapping duties, Greg has been the continuing education coordinator for Hammond's certified operators. He assists operators in enrolling in approved training and schedules classes and credit-hour opportunities for 18 operators.

Greg has been an active member of the Capital Region for 13 years and has served as Chairman, Vice Chairman and is currently Secretary.

Greg holds all Louisiana Water Class 4 certifications and Class 4 certification in Wastewater Treatment.
