

## LOUISIANA BAT REMOVAL COMPANIES

The following is a short directory of bat exclusion personnel or companies that may be able to address bat exclusion from buildings in Louisiana. The individuals or companies on this list may or may not be able to address situations in all regions of the state.

The individuals or companies are listed in alphabetical order. The listing of any individual or company does not indicate an endorsement of services. It is usually recommended to seek at least two quotes for bat exclusion services before making a selection.

If any of this information is found to be inaccurate, or if any persons or companies wish to be included in the list, please contact the state public health veterinarian, Dr. Gary Balsamo at 504-568-8315 or at [gary.balsamo@la.gov](mailto:gary.balsamo@la.gov).
