Alan Levine
SECRETARY

State of Louisiana

Department of Health and Hospitals

Center for Preventive Health

September 17, 2009

TO: LA WIC VENDORS
FROM: TRICIA GUIDROZ 
RE: **QUART SIZE, 1% HOMOGENIZED MILK**

Due to lack of availability of the quart size, 1% Homogenized Milk, the WIC Program is advising all participating vendors that the stock requirement for this food item has been changed. Field staff designated to monitor Vendors during September, 2009 have been notified of this change.

Effective October 1, 2009, the following are the revised minimum stock requirements for Homogenized Milk:

Minimum Stock Requirement
Whole Milk, at least 2 Gallons & 4 Quarts
Low Fat Milk (1%), at least 4 Gallons
Skim Milk, at least 4 Gallons & 4 Quarts

We apologize for any confusion this may have caused. Should you need more information concerning this matter, please contact the Vendor Management Unit @ 504-361-6725.
